Dear Athletes, Coaches, Parents & Supporters,

We are very proud to bring you a three-event Classics Series, as qualifiers for the Silver Series Playoffs at Angelstone, September 30 – October 3, 2021.

We believe that it is incumbent on competitions and competition management to promote, invest in, and improve equestrian competitions for all ages, skill levels and finances of athletes.

The goal of the Classics Series is to provide competitions that align with national and international standards and athlete pathways, thereby laying the groundwork for progression to provincial, national and international sport participation. Our events support the growth of the sport by providing a quality experience in preparation for championships and other recognized shows. We also believe in an enjoyable 'sport-for-life' experience for those wishing to stay active but without high-level competition aspirations.

We thank you for supporting our events in 2021 and we look forward to growing the sport, while making a contribution to quality competitions in Canada.

- Christine Reupke & Jon Garner
